Bacto Shield

PSEUDOMONAS

NATURAL ROOT & PLANT PROTECTOR

BENEFICIAL BACTERIA FOR HEALTHY PLANTS

ABOUT

Bacto Shield contains beneficial Pseudomonas bacteria that colonize the root zone and rhizosphere, promoting plant growth and protecting plants from harmful pathogens. It improves soil health, nutrient availability, and overall plant vigor.

BENEFITS

- Protects roots from harmful soil pathogens
- Enhances nutrient availability and uptake
- Promotes healthy root development
- Improves soil health by supporting beneficial microbes
- Boosts plant growth, flowering, yield and quality

DIRECTIONS FOR USE

Soil/Seed Treatment: Mix 5 grams of Bacto Shield per litre of water. Apply to the soil or seeds before sowing or planting.

Bio-stimulant Formulations: Can be combined with organic manures, compost or clay binders for direct soil application to promote sustainable agriculture.

Drip Irrigation: Apply 1 kg in 1 acre of land along with water.

DOSAGE

Mix Bacto Shield @ 5 grams per litre of water and drench near the root zone.
Repeat this application after 30 days for better results.

COMPATIBILITY

- Eco friendly and non-hazardous.
- Compatible with bio-fertilizers and bio-pesticides.
- Do not mix with chemical fertilizers and pesticides.

CAUTION

- Store the product in a cool, dry place.
- Avoid direct sunlight or heat.
- Keep out of reach of children and animals.
- Shake well before use.

SPACE FOR STAMP
(1 inch x 1.5 inch)

COMPOSITION

Pseudomonas putida	: Minimum 1 x 10^8 CFU/g (1×10^8 cfu per gram minimum)
Carrier	: q.s.

TECHNICAL SPECIFICATION

Specification	Minimum
Total viable count of Pseudomonas putida	1 x 10^8 CFU/g
Moisture content	Maximum 10% w/w
pH (1% solution)	6.0 – 8.0
Carrier	Inert carrier based

NET CONTENT

200 grams

Batch No. : PF-01

Mfg. Date : _____

Expiry Date : Best Before 1 Year

M.R.P. ₹ :
(Incl. of all taxes)

REG. NO.

JUN/FFW220000721/2023-2024

CAUTION
KEEP IN COOL & DRY PLACE

If swallowed or if symptoms of poisoning occur, call the Physician immediately. Keep in a cool & dry place away from open heat.

For Agriculture use only.
